

# Bridleway Diversion: Farfield Farm

Do you walk, ride or cycle on the footpaths and bridleways in our area? Harewood Parish Council has been consulted on a proposal to divert the bridleway that currently runs from the riverside path, through Farfield Farm, to the Collingham road (A659). We would like to represent the views of the local community in our response to this consultation. The proposal and plans are below. If you use this route or have any feedback for us on this proposal, either no objection or an objection comment, please email me: [chair@harewoodparishcouncil.gov.uk](mailto:chair@harewoodparishcouncil.gov.uk) by **5:00pm on Thursday 10 March 2022**. Look forward to hearing from you.
